2nd International Conference on Neurodegenerative Disorders
Faculty of Nursing
University of Colombo

Guidelines for e-Poster Presentations

You are kindly requested to prepare an e-poster presentation on your research which should be directly related to the information submitted in your abstract.

- Each poster presenter will be given 07 minutes for their presentation which will be followed by 03 minutes of discussion/ question-answer session. You are kindly requested to strictly adhere to the time allocated to you.
- Use the provided e-poster template to prepare the poster
- All the presentations should be prepared and presented in English language only.
- Send your e-poster on or before 15th November 2024 to neurocare@nursing.cmb.ac.lk

Information for presentation slide

a. Presentation format- PowerPoint (Poster landscape pixel size 1920 x 1080)

b. Presentation Scale- 16:9

c. Font Size- as mentioned in the template

You may change the layout and design of the template appropriately, but the components included in the e-poster and the font sizes should remain unchanged.

For any clarifications please do not hesitate to contact Prof. G Kisokanth, via neurocare@nursing.cmb.ac.lk
